

Hi Ciara

I am pleased to provide a reference for Rork Interiors.

I provide this reference in my capacity as the Commonwealth Ombudsman - Property and Accommodation Project Manager.

The Commonwealth Ombudsman used the services of Rork Interiors to carry out the office fitout works for its new premises of 2,000M2 in Canberra which we occupied in late May of this year.

Rork Interiors performed the fitout work to a very high quality finish and standard on time and within budget. The quality of the finished work was confirmed with very high levels of satisfaction being registered by our staff.

I would highly recommend Rork Interiors to perform office fitout works.

Regards

Doug Rodda
