

Dear Sir

I would like to take this opportunity to thank Rork Interiors for their hard work in the fitout of our new Phillip office. I speak for the entire team when I say I am thoroughly impressed with the end result, as well as the way in which the project, from start to finish, was handled with great detail and professionalism.

We often receive praise from clients and staff alike on the presentation and functionality of our office, which is a credit to the team at Rork Interiors as our office is large in scale with varied uses. We do not hesitate to recommend Rork Interiors to our clients and anyone looking for professional fitout services.
